Using the Self-Enroll feature

Lippincott Solutions offers a self-enrollment feature that allows clients to create their own user profile with login credentials.

To create your own user profile, you must first be on a computer within your health system’s secure network. Once your profile has been created, you can log in remotely, i.e. mobile apps for Lippincott Procedure and Advisor.

To create your own user profile:

- Launch Lippincott Procedures or Lippincott Advisor
  
  https://procedures.lww.com
  https://advisor.lww.com

- Click Login on the blue banner bar
- Click on the Self-Enroll link in the login box

- Fill out all required fields designed by an asterisk *
  
  o Username must be unique across all Lippincott users (you can use your email address or a hybrid, i.e. jane.doe@srmc)
  o Password must be at least 8 characters long and include one of each: uppercase, lowercase, number and symbol
  o I.D. can be anything, alpha and/or numeric.

**Please note:** You must log into Lippincott Procedures or Advisor from within your health system’s network at least once every 90 days to keep your remote/mobile access active.

If you forget your username or password, please use the **Forgot Username or Password?** link in the login box.

To access Lippincott Solutions Customer Support information, click on the Wolters Kluwer logo at the bottom right corner of every page within our solutions.
