

Background: A student enrolled in one Concordia online program may live closer to another Concordia's campus. (For example, a student attends Concordia University, Nebraska but lives near Concordia University – Portland.) The physical libraries of these institutions are able to provide access to many of their services, but the policies vary.

These FAQs pertain to access at one Concordia's library when enrolled at a different Concordia.

	Concordia University, Nebraska	Concordia College- New York	Concordia University – Portland
